

ICON 3D LARGE

Extension to the maximum

Making it easy to get that perfect viewing angle

SMS Icon 3D Large, our large wall mount with an extendable arm, is secure, graceful and strong. This is the weightlifter in the Icon 3D family, supporting displays up to 40 kg. Icon 3D Large can give your display the distance of over 60 cm from the wall, and you can then affix your display at 10 cm from the wall. Smoothly swivel the display up to 180 degrees, just with the touch of a hand. SMS Icon 3D Large is available in Aluminum/Black.

Distance from wall: approximately 620 mm (fully extended).
